¹Savings are based on estimated Federal, State and Local tax rate of 30%. The amount participants can save in taxes will vary depending on various factors, such as the amount they set aside in the accounts, their annual earnings, whether or not they pay Social Security taxes, the number of exemptions and deductions they claim on their tax returns, their tax brackets and their state and local tax regulations. Participants should check with their own tax advisors for information on how their participation will affect their tax savings.
